Dear

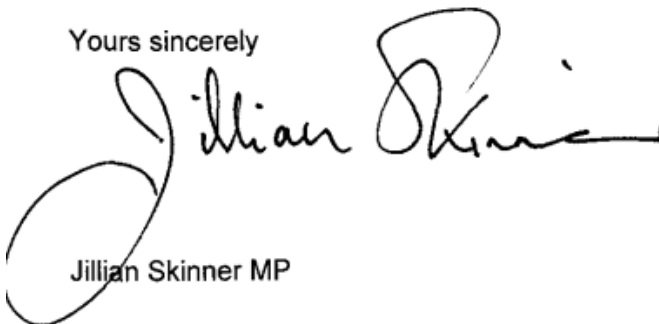

Thank you for your correspondence concerning the peritonectomy list at St George Hospital. Please be assured that the government is sympathetic to the plight of those suffering from peritoneal cancer.

I understand that the medical team is working with local health administration to come to some solution to the issue that you have highlighted. In the meantime, I have asked the Local Health District to keep you informed.

As this matter is currently under consideration, I will not be able to meet with you as requested. However, I wish you all the best with your condition.

Thank you for bringing your concerns to my attention. Should you wish to discuss this matter further please Ms Cath Whitehurst, Director of Operations (Southern Sector) of the South East Sydney Local Health District on (02) 9113 2122.

Yours sincerely

Jillian Skinner MP
